Position Overview

The Rapid Rehousing Case Manager plays a vital role in addressing homelessness by delivering comprehensive case management services to individuals and families transitioning from homelessness to permanent housing. This position supports clients through housing relocation, stabilization services, and the provision of short- to medium-term rental assistance to ensure a swift and sustainable move into stable housing.

Qualifications

Candidates must meet one of the following criteria:

- Bachelor's degree in Social Work, Behavioral Science, or Social Science; or
- Bachelor's degree in another field with at least one year of relevant professional experience; or
- In the absence of a degree, significant related work experience and demonstrated capacity to serve vulnerable populations, including individuals experiencing homelessness, mental illness, or substance use disorders.

Skills and Experience:

- Knowledge of local community resources and social service referral networks.
- Ability to work independently in both structured and field-based environments.
- Proficiency in data entry, Microsoft Office Suite, and client service tools.
- Experience working with diverse and underserved populations.
- Valid driver's license and access to reliable transportation required.
